Dear OCFSD Board Candidate:

Thank you for your interest in serving the residents of our school district. YES for Oak Creek Schools is an independent grassroots organization of volunteers who advocate for greater parent involvement and improved communication in the Oak Creek-Franklin School District. YES was founded in 2014 as a referendum advocacy group, and our focus has evolved into increasing awareness of issues at the district level.

YES for Oak Creek Schools is excited to announce that we are using our website as a “one stop shop” for voters to learn about the upcoming school board election. We believe we are uniquely positioned to reach a large population of voters, particularly parents who are likely to vote in the primary and general elections. Our Facebook page has over 700 followers, many of whom closely follow school board activity and decisions. With assistance from local media and other potential partners, we have the ability to draw even more voters to our website.

We invite you to complete our candidate survey to help us create your candidate profile page. You can access the web form at YESforOCschool.com/candidate or email your answers to YESforOCschools2014@gmail.com. You may also send us a photo of yourself and links to websites, email, and social media. Profile pages will be created in the order in which we receive responses. If you see changes you would like us to make once your profile is published, we will handle those requests as they are received.

Thank you in advance for your participation. If you have any questions, please contact us.

Warmly,

Jenny von Helms
